EXPERIENCE

- | | |
|--|--------------------------|
| Freelancer Legal Consultant | May 2025- Present |
| <ul style="list-style-type: none">• Architected bespoke contractual frameworks for technology and corporate entities, including Channel Partnership and White Label Agreements, specifically engineered to optimize revenue-sharing models and define cross-border branding rights.• Engineered high-stakes Non-Disclosure Agreements (NDAs) with a rigorous focus on multi-layered data security protocols and Intellectual Property (IP) fortification, ensuring comprehensive protection of proprietary assets.• Negotiated complex liability allocation and indemnification structures, mitigating systemic operational risks for clients within the burgeoning tech-sector ecosystem. | |

Jus Scriptum **April 2025 – May 2025**

- Leveraged AI-based legal research tools to accelerate discovery of obscure case laws and emerging regulatory shifts.
- Evaluated intricate statutes and landmark rulings to curate specialized educational content with 100% accuracy.
- Executed rigorous statutory analysis and citation management for research papers to ensure professional excellence.

Vintage Legal **April 2025 – May 2025**

- Authored a comprehensive analysis on the **National Company Law Tribunal (NCLT)**, identifying systemic bottlenecks such as personnel shortages and technological gaps in e-filing systems.
- Evaluated and proposed strategic reforms for effective corporate adjudication, advocating for **specialized benches** and transparent recruitment to streamline Indian insolvency processes.
- Spearheaded in-depth research on the intersection of **AI and privacy rights**, evaluating complex statutory frameworks for academic publication.

IP Verna **April 2025 – May 2025**

- Evaluated high-profile pharmaceutical patent bids, specifically analyzing the **Novartis patent case** and its implications for evergreening in India.
- Authored an in-depth analysis on the **rise of China** as an intellectual property powerhouse, focusing on their rapid growth in patent filings and trademark enforcement.
- Supported the drafting of comprehensive legal publications regarding non-patentable subject matter and protected IP assets under Indian statutes.

All India Human Rights Association (AHIRA)

Mar 2023–Apr 2023

- Project A (Human Rights Analysis):** Spearheaded comprehensive research on diverse human rights cases, evaluating constitutional protections.
- Project B (Case Law Interpretation):** Drafted high-level legal documentation and case law interpretations for academic and legal use.
- Project C (Digital Intelligence):** Utilized professional databases including **Westlaw** and **LexisNexis** to extract critical precedents for case analysis.

Juris Centre

Mar 2023–Apr 2023

- Executed rigorous case law analysis and statutory interpretation to support high-stakes academic research and publication-ready content.
- Authored a comprehensive research paper titled "*Will India Become a Hub of International Arbitration?*" focusing on the incoming future of the ADR landscape in India.
- Orchestrated end-to-end citation management and proofreading for academic papers, ensuring all deliverables met elite professional standards.
